Creating sacred space for women to connect, share, heal.

Harmony Learning Center's new location:

All women are welcome!
*"How might your life have been different,
If through the years,
There had been a place where you could go?...
A place of women who knew the cycles of life,
The ebb and flow of nature,
Who knew of times of work and times of quiet...
Who understood your tiredness and need for rest.
A place of women who could help you to accept your fatigue
And trust your limitations,
And to know,
In the dark of winter,
That your energy would return,
As surely as the spring.
Women who could help you light a candle and to wait....
How might your life be different?"*
